

Moses

DJ, producer, turntablist, survivor - **MOSES** infuses hip-hop and soul influences with experimental, electronic club music. Owner of the award-winning Higher Education Records. he has opened for Odesza, Big Sean, Lupe Fiasco, Big Gigantic, RL Grime, Waka Flocka, Keys N Krates, Mr. Carmack, Kaskadee, and others. His DJ mixes have been aired on 93.1 JAMZ Madison and on 88.9 Radio Milwaukee, where he is a recurring guest.

A recent survivor of Leukemia and the bone-marrow transplant that saved his life, Moses created the concept for the music / art driven party: Non-Pop! Inspired during his recovery, it has taken root in multiple venues and has brought in DJs from across the country. In addition to the diverse music and live art, the event supports non-profits in an effort to reach out and give back to the community.

Moses' latest release is his EP entitled Side Effects, a collection of remixes from favorite artists of past and present. As his sound continues to expand, this project celebrates a new level of focus on captivating production, rejecting the notion of being put in a single-genre box and embracing a vibe of its own.
